

FRIENDS – AURA DIONE

Intro

Dee de de de dee de....

Verse 1

Free, free to be myself
Free to need some time
Free to need some help
So I'm reaching, baby, out
When I'm lonely in the crowd
When the silence gets too loud
I'll be crashing on your couch

Prechorus

And even if I never forget you baby
Tonight I'm gonna let your memory, baby, go
Oh it's sad I know

Chorus

But at least I got my friends
Share a rain coat in the wind
They got my back until the end
If I'll never fall in love again
Well at least I got my friends
Like a life boat in the dark
Saving me from the sharks
Even though I got a broken heart

Shout

At least I got my friends, got my friends, got my friends, got my friends
Well at least I got my friends

V2

I don't wanna think
I just wanna feel
I just wanna dream, yeah
So pour another round
And throw it back until it's down
Let's get lost until we're found
Again and again

Prechorus

Chorus

Shout

V3

And when the world is upside down, yeah
The sky is full of clouds, yeah
They always come around
It feels like home, like home
And I never have to try
I can be myself and I
I'm never alone, I never feel alone, oh oh oh

Prechorus

Chorus

2x Shout

Well at least I got my friends
