

Shape of you, Ed Sheeran

The club isn't the best place to find a lover so the bar is where I go_
Me and my friends at the table doing shots, drinking fast and then we talk slow
 Come over and start up a conversation with just me and trust me I'll give it a chance now, take my
hand, stop! put van the man on the jukebox and then we start to dance and now I'm singing like

*Girl, you know I want your love, your love was handmade for somebody like me
 Come on now, follow my lead, I may be crazy, don't mind me, say
 Boy, let's not talk too much, grab on my waist and put that body on me
 Come on now, follow my lead, come, come on now, follow my lead*

I'm in love with the shape of you, we push and pull like a magnet do
 Although my heart is falling too, I'm in love with your body
 And last night you were in my room, and now my bedsheets smell like you
 Every day discovering something brand new, well I'm in love with your body
 (Oh I) I'm in love with your body
 (Oh I) I'm in love with your body
 (Oh I) I'm in love with your body
 Every day discovering something brand new, I'm in love with the shape of you

One week in we let the story begin, we're going out on our first date
 But you and me are thrifty so go all you can eat, fill up your bag and I fill up a plate
 We talk for hours and hours about the sweet and the sour, and how your family is doin' okay_
 And leave and get in a taxi, we kiss in the backseat, tell the driver make the radio play,
 and I'm singing like

PreChorus

Chorus

Come on, be my baby, come on – come on, be my baby, come on (4x)

I'm in love with the shape of you, we push and pull like a magnet do
 Although my heart is falling too, I'm in love with your body
 And last night you were in my room, and now my bedsheets smell like you
 Every day discovering something brand new, well I'm in love with your body
 Come on, be my baby, come on – come on, be my baby, come on (3x)
 Every day discovering something brand new, I'm in love with the shape of you
